Landscape Professionals
Become a Rhode Island Certified Horticulturist

RI•CH 2019
TRAINING & EXAMINATION

What can earning RI•CH designation do for your business?

- Use the RI•CH certification in your business to show that you and your employees value staying up-to-date with the best horticultural practices and current information
- RINLA promotes businesses that have employees who are RI•CH certified on its website at www.rinla.org and in other association advertising
- Review basic plant production and maintenance principles and latest horticultural information
- Use the RI•CH certification manual as a reference tool
- RI•CH certification promotes professional attitudes and workmanship

The RI•CH Training Program...

- Will prepare you to take the plant identification part of the examination
- Is not mandatory for certification, but can be used by RI Certified Horticulturists to earn 1/2 recertification point per session (up to 2 points)
